*Hillsboro High School*

McNEEL GYMNASIUM

#### HILLSBORO HIGH SCHOOL HISTORY

In the early part of the eighteenth century a very important educational work flourished in what was then the village of Hillsboro. Under the supervision of Reverend Joseph Brown the brick Academy was built and contained one large room with two wings. The name of Hillsboro was abandoned in deference to that of "Academy" so strong was the impress of the school's influence on the minds and hearts of the people. In recent years the old name of Hillsboro has been restored to the town.

M. A. Dunlap of Ponca City, Oklahoma, has contributed some recollections of ante bellum days from his remarkable memory of conversations heard in the home of his Uncle Reverend M. D. Dunlap. He thinks the first teacher ever in Hillsboro Community was a man by the name of Keenan who taught more than a hundred forty years ago. This teacher was considered a very learned man from the fact that he could read and write and had figured in the arithmetic as far as the rule of three.\*

With the beginning of public education many people in the Hillsboro Community supported the idea of a local high school. One was started in 1910, through the efforts of interested patrons, the present high school building was erected and used in 1912 by grade and high school students.

The first principal was Mr. Chape Wilson, followed by Miss Minnie Jane Merrill. In the first graduating class of 1913 were Mrs. Bertha Post and Charles Post. The class of 1914 consisted of Mrs. Dakota Hill and Henry W. Beard.

The cornerstone of the Hillsboro Grade School was laid in 1922 and after completion of the building, the high and grade schools were separated. This year the gross enrollment for the grade school is 265 pupils and seven teachers for grades, one to six.

In the years 1938-1939 a new brick gymnasium was built on the ground adjacent to the grade school. During the first basketball game, played between Hillsboro and Green Bank, the new gymnasium was dedicated and named McNeel Gymnasium in honor of Dr. Winters McNeel. Dr. McNeel was the community physician and he served loyally on the school board of education for a number of years.

A Vocational Agriculture Department was established at Hillsboro High School in August, 1949, and a building of a brick structure to house this department started in July, 1950. It is hoped that the building will be completed by September, 1951.

During the summer of 1950 the high school plant was completely remodeled. Such changes as the installing of a new heating system, rewiring the building, enlarging the sewage and laboratory facilities, painting the interior of the building and equipping a movie room have greatly enriched our program and improved our physical plant.

The schools of Hillsboro; rich in the tradition of education, have grown in size of the plant, in the number of young people served, and it is our desire that it may continue to shape the lives of all young people who enter its doors to be useful, happy citizens of our community and country.

# *In Memory Of*

MR. FRANK K. JOHNSTON

It is with extreme pride and pleasure that the students of the graduating class of Hillsboro High School, 1951, wish to humbly dedicate this annual to the memory of one, who, for nearly a quarter of a century, was a true friend and leader among the people in the Hillsboro Community, more especially to his many students who were continuously inspired by his very presence and serenely calmed by his ever encouraging words and wisdom---Mr. Frank K. Johnston, Principal of the Hillsboro High School from 1925 until his untimely death in 1945

Shown is a picture of trees on school campus, which is a direct result of Mr. Johnston's annual student tree-planting day.

## *Foreword*

It is our desire in publishing "The Red Devil" to create a lasting memory of our days spent in Hillsboro High School. This book will be some tangible means by which we may relive in the future the happy days of our high school career.

May this volume, the first yearbook from this school since 1925, be an inspiration to the Seniors of the ensuing years to continue the work we have begun.

We do not publish it as a work of literary perfection, but rather as a crude beginning of something that others who follow will not let die, and will improve upon as the years pass.

If, by publishing a yearbook, we may establish a precedent which will be continued in Hillsboro High School, then we will feel that the many hours we have labored shall have been time well spent.

--Betty Jo Arbogast

## *Farewell*

School was out on the twenty-fifth of May,  
For the Seniors this was a very sad day;  
Just think of the fun we've had in Hillsboro High  
In the last four years gone by.

This is the day we said good-bye  
To the good old Hillsboro High.  
Soon o'er this earth we will scatter far and wide  
But always to Hillsboro High our hearts will be tied.

Fifty years from this day  
We'll think of the twenty-fifth of May  
We then will be old and gray  
And of Hillsboro High we can say:

"I wish I still were in Hillsboro High  
When I think of it, it makes me cry.  
I loved my classmates, the faculty too;  
For friends like these, we will find few.

Those were the happiest days of our life,  
Our life now is a struggle and strife.  
In 1951, on that twenty-fifth day of May  
Ended our life of being carefree and gay."

When our life's race is almost run  
And all our work and fun is done  
In the twilight evening our memories will fly  
Back to our days in Hillsboro High.

--Faye Hayes and Dorothy Hill

# *Last Will and Testament*

OF THE CLASS OF 1951

Be it remembered that we, the graduating class of 1951 of Hillsboro High School, being of sound mind and body, possessing animus testantity, and realizing that unless we leave behind us the greatest part of our worldly possessions, and super intelligence, H. H. S. will be doomed, hereby make our last will and testament, thereby revoking all former wills by us heretofore made.

After payment of our just debts and funeral charges, including fees not exceeding fifty cents per hour to be paid to the hired mourners, we bequeath and devise as follows:

I, James Kershner, will to Harlen Kinnison a short sleeved shirt so that he can show his muscles.

To Carol Lee Shue, Richard Cutlip wills his red hair to go with her flaring temper.

To Hymon McMillion, Robert Cutlip wills his position on the basketball team.

I, Joan Morrison, do hereby will my shoe shine to Bernice Pyles.

I, Betty Pritt, do hereby will my glasses to anyone who can afford windshield wipers to keep them clean.

To Gary Kershner, Randall Cutlip wills his quietness.

I, Max Gum, will my arguing ability to James Cooper to use in the United Nations Assembly someday.

I, Louvene Dean, do hereby will Dotty Cloonan and Carol Lee Shue my quietness.

I, Betty Jo Arbogast, will to Coach Stump some of my hair to cover his "bald spot" which he acquired while instructing our Physical Ed. Class.

To the future chemistry students, Debeorah Landers wills her place in the heart of chemistry.

To Thelma Hill, Maxine Daniels wills her love for the bachelors down at Beard.

To Holly McClain, Jerry Farne wills his height.

I, Ethel Dolan, do hereby will my books to my sister, Mary, in hopes she will use them more than I did.

We, James Clowser and William Hollandsworth, will to Mr. Stump this song: "Don't Sell My Boys Anymore Beer."

I, Ellen Burgess, do hereby will a free airplane ride to Gary Kershner so that he may get as close to Heaven as possible, even if for only a short time.

I, Joan Rose, do hereby will a muffler to Thelma Totten which I received in my Freshman year in hopes that it does her more good than it did me.

To Bernice Pyles, Rose Marie Surbaugh wills her Homecoming Crown.

To Charlotte Kershner, Elva Mae Dalton wills her affinity for one fellow.

I, Faye Hayes, do hereby will my excess fat to Wanda Dever.

The following; Dorothy Hill, Jean Jefferys, and Lakie Anderson do solemnly will our "builds" to the future football players of Hillsboro High School.

Given under my hand this nineteenth day of February in the year of our Lord one thousand nine hundred and fifty-one.

## Poetic Prophecy

President of our class is Faye Hayes,  
Interior Decorating is her present craze,  
She studies hard in all her books,  
But spends more time on how she looks.

Our vice-president is Jefferys, Jean  
And although on the side not lean,  
She has talents and ambitions which will take her far,  
To be an artist or singer is her greatest desire.

Next comes the secretary, who is Max Gum,  
He has what is known as the operating thumb.  
Around our class he is a walking professor,  
Loren Paul Anderson will be his successor.

Betty Jo Arbogast is the treasurer of our class,  
Smart in her books, and a good-looking lass.  
Even though in school she is quite a pest,  
She makes a good grade on every test.

Lakie Anderson is a brown eyed blonde,  
Of ducks and such things she is quite fond.  
She leads the school yells in many a game,  
But she's good old Lakie just the same.

Joan Rose shares Lakie's fame,  
She's one of the cheerleaders at every game.  
She takes your stuff, and you wave it good-bye,  
If you don't let her have it she'll take it on the sly.

Richard Cutlip is a red-headed boy,  
With freckles on his face and the ability to annoy,  
To work in agriculture is now his plan,  
We all know that he will do the best that he can.

Jerry Farne is our tallest guy,  
And around the girls he's not a bit shy,  
He plans to be a sailor of sorts,  
And have a girl in all the ports.

Jimmy Clowser is known as the "El Poca" kid,  
But Droop Mountain beauties always get his bid.  
He'll be coaching a team, either girls or boys,  
But coaching the girls is what he really enjoys.

Our quietest girl is Louvene Dean,  
Who never gets bored by the same routine,  
Some nice boy will have a good wife;  
She'll make him happy the rest of his life.

Foster Cutlip thinks that he's quite strong,  
It's lucky for us that he is wrong,  
Nothing is what he wants to be,  
That's probably right, just wait and see.

Jimmy Kershner is bashful and shy,  
But many a girl over him does sigh,  
At all the sports he is a good athlete,  
But is it any wonder with such big feet?

Deborah Landers is the class boss,  
And for words about boys, she's never at a loss,  
In the future it won't be a bit surprising,  
If chemistry elements, she is analyzing.

Rowena Hill has a winning smile,  
That will someday take her down the aisle.  
But to fill her time until that day,  
She'll be a nurse, and have her way.

Our class flirt is Betty Pritt,  
With all the boys she makes a hit,  
Will she go to college, do you suppose?  
Don't ask me for no one knows.

Dorothy Lou Hill is no miniature,  
And she most certainly never could be called demure,  
She's said all her life that she'd be a nurse,  
If her patients aren't careful she'll put them in the hearse.

William Hollandsworth chases all the girls,  
But especially the ones with plenty of curls,  
He'll fight the enemy that we all abhor,  
And do his duty to help win the war.

Maxine Daniels is our girl athlete,  
She has accomplished many a difficult feat,  
She plans to attend a nurse's school,  
But anyone who went to her would be a fool.

When our class walks by, Robert Cutlip will be last,  
For he never was known to be very fast,  
He plans to spend his life on the farm,  
Do you reckon that's what adds to his charm?

Elva Mae Dalton says love is not blind,  
And I guess you know what's on her mind,  
She wants to be a secretary on the bosses knee,  
But she probably will be near a Hill, a tending three.

Rose Marie Surbaugh has a ring on her hand,  
That's very well known as Raymond Coxey's brand,  
She was Homecoming Queen at a Football game  
She's the girl whose beauty has brought her fame.

Ethel Dolan is as cute as they come,  
And she's usually seen a burning gum,  
She plans to operate a typing machine;  
But later she'll probably be seen on the screen.

Randall Cutlip is dark and cute,  
But around the girls he's usually mute.  
He doesn't plan to attend any more schools,  
But will make his living using carpenter tools.

Ellen Burgess is not old or staid,  
But will likely end up as an old maid,  
She has many a different idea or whim,  
Maybe that's what keeps her so little and slim.

## *Senior Class History*

We, Seniors of 1951 entered Hillsboro High in September, 1947. Our class sponsor was Mrs. Kay Mann. The class roll was as follows: Lakie Anderson, Betty Arbogast, Faye Hayes, Dorothy Hill, Debeorah Landers, Elva Dalton, Ethel Dolan, Ellen Burgess, Louvene Dean, Maxine Daniels, Naomi Dean, Robert Cutlip, Randall Cutlip, Richard Cutlip, Foster Cutlip, James Clowser, James Kershner, John Fleming, Nixon Jackson, Max Gum, Carl Pritt, Elba Kellison, Essie McMillion, Rose Marie Surbaugh, Jack McCoy, William Hollandsworth, Mary Workman, Eugene Kidd, Joan Rose, Joan Morrison, Jean Jefferys, Virginia Landers, Marie George, Rosalyn Wootten, Edna Rose, Johnnie Kennison, Harry Wiley, Beatrice Allen, Burk Scott, Donna Shue, Betty Pritt, and Anita Simmons.

We elected the following class officers: Jean Jefferys, President; Lakie Anderson, Vice-President; Elva Dalton, Secretary; James Kershner, Treasurer.

After surviving the ordeal of wearing long underwear and short skirts, one man's shoe and one high-heeled shoe, we continued on our way.

During the year the following members dropped out: Carl Pritt who is now serving the Armed Forces in Korea. Naomi Dean, Elba Kellison, Essie McMillion, Eugene Kidd, Virginia Landers, Marie George, Rosalyn Wootten, Harry Wylie, and Burk Scott, leaving us 32 at the close of the term.

In the fall of 1948 we again entered school now numbering only 30 as Edna Rose and Jack McCoy decided they liked the Freshman Class better.

We traveled through that year under the leadership of Mrs. Thelma Weber. Our class officers were: John K. Fleming, President; Max Gum, Vice-President; Richard Cutlip, Secretary; James Clowser, Treasurer.

In the early part of October we initiated the Freshmen with a party. Later that month Joan Rose was elected Homecoming Queen.

During the year we lost one member, Johnnie Kennison, but gained two, Josie Cook from Glen Rogers and Rowena Hill from New Martinsville, thus leaving us 31 at the close of the year.

Then in September, 1949, we, as Jolly Juniors came in with 28 members, as Josie Cook had again moved, John K. Fleming had moved away, and Nixon Jackson had joined the Army, and is now in Germany. Anita Simmons decided to stay in the Sophomore Class but, we had gained one new member, Jerry Farne from Webster Springs. Mrs. Nellie Marquess was our sponsor and as our officers for the year we elected: Max Gum, President; Jerry Farne, Vice-President; Faye Hayes, Secretary; James Clowser, Treasurer.

We gave our Junior Play, "Worrying Willie" in December.

Beatrice Allen quit school at the beginning of the second semester.

In April we entertained the Seniors with a party and as our Junior term was coming to a close we found ourselves planning our annual picnic and saying farewell until the next September.

When we entered as Seniors there were 27 of us. Donna Shue had been married during the summer so she was not back with us. We had gained one new member, Ada Talbert from Richwood but her parents moved again to Richwood so she wasn't with us long. This left us only 26 to carry on, but with the help of our sponsor, Mrs. Virginia Callison and our assistant sponsor, Miss Mary Dolinger we kept striving onward. The Senior Class officers were: Faye Hayes, President; Jean Jefferys, Vice-President; Max Gum, Secretary; Betty Arbogast, Treasurer.

We Seniors decided to publish a yearbook, the first that had been published in Hillsboro High for a number of years and with the help of the faculty and underclassmen, we have succeeded.

In October, Rose Marie Surbaugh was chosen as our Homecoming Queen.

In November we lost another classmate, Mary Workman, who became Mrs. William Simmons.

This leaves us at the beginning of the second semester with only 25 of our 42 left to carry on the work of the class and to graduate.

A matinee and night performance of the Senior Play, "Aaron Slick From Punkin Crick" will be given on May 4th.

The Seniors plan to tour Washington on May 10-12th. On their tour, they intend to visit the following places: Luray Caverns of Luray, Virginia, House of Representatives, Smithsonian Institute, Mount Vernon, Arlington Cemetery, and many other historical and natural sites.

The Alumni Dance and Banquet will be May 18th; Baccalaureate, May 20th; Class Night, May ; and Commencement, May 23rd.

It's Hillsboro High School,

It's Hillsboro High School,

The pride of every student here,

Come on ye old grads,

Join with us young lads,

It's Hillsboro High School now we cheer

Rah! Rah! Rah!

Now is the time boys to make a big noise

No Matter what the people say,

'Cause there's none to fear the gang's all

So hail to Hillsboro High School,

## *Class History*

Four long years ago in September 1949, there came to the great temple of learning, commonly called Hillsboro High School, thirty-six bright pupils who felt that they would be valuable additions to this school. To their disappointment this opinion was not shared by the upper classmen. During the first few days our class endured with a grin the torments and rough words of our superiors; but soon we were able to hold our heads quite as high as anyone else.

We elected Ray Kramer as President, Eugene Brown as Vice President, and Charlotte Kershner as Secretary-Treasurer. Mr. Jefferies was our sponsor.

When we entered school our Sophomore year, Gentellene Sharp, Macel Stanley, Leo Bonnell, and Basil Pyles weren't with us, but we were glad to see a new student, Naomi Rudd.

Our class officers for our Sophomore year were Ray Kramer, President; Phyllis Kershner, Vice President; and Jerry Starks, Secretary-Treasurer. Our sponsor was Mrs. Ida Pritchard.

After a three months vacation we entered the doors of Hillsboro High School as Juniors. We found we had lost several of our class mates. Betty Beard decided to attend school in North Carolina, and Marilyn Hamrick moved to Lewisburg. Agnes Carpenter became Mrs. Merritt Galford, Charlotte Kershner became Mrs. Fitzhugh Perry, and Sylvia McClure attended school for awhile, but quit to get married. Andrew Kinnison and Roy Dean decided to help their fathers.

Our class officers were Thelma Hill, President; Harry McCoy, Vice President; and Norma Lee Clutter, Secretary-Treasurer. Our sponsor was Mr. Jefferies whom we still have.

Our class rings arrived November 15, 1951.

Our Class play was "The Adorable Imp" and was given on April 3. Mrs. Hayes directed it.

On May 21, we gave the Junior-Senior Banquet. The Sophomore Home Economics girls served. After the banquet we went to the gymnasium for the dance.

During the summer two of our faithful members deserted the ranks; Leroy Rose and Harry McCoy decided to serve their country so they joined the Air Force. Robert Taylor and Bernice Underwood moved to Renick and are attending school there. Naomi Rudd failed to come back.

During our Senior year Jean Pritt and Anvibelle Kramer quit school during the first semester. Vera Sue Vaughan thought it would be nicer to be Mrs. Fred Sharp, Jr., than to graduate with the Senior class.

If all members of the class pass their work, the following students will graduate as Seniors of 1953: Donald Barcroft, Eugene Brown, Louise Copenhaver, Norma Lee Clutter, Wallace Cochran, Robert Dilley, Thelma Hill, Exa Kellison, Phyllis Kershner, Harlan Kinnison, Ray Kramer, Kenneth May, Bobby Ray, Eveline Rhodes, Betty Ann Scott, Grace Starks, Jerry Starks, and Austin Walker.

## *Class Prophecy*

Norma Lee and I just arrived back in the States, returning from our trip to the Moon. On our trip to the Moon we visited Harlen Kinnison, who at that time was a traveling salesman for "Whatchamacallit I-Haveit Company." Harlen asked us to check and see what the Seniors of 1953 were doing.

We stopped at the Greenbrier and to our surprise it was owned and operated by Eveline Rhodes. We found out from Eveline that Thelma Hill was a candidate for the first Lady President of the United States. She was running on the "I Think I Can" ticket.

We drove to Hillsboro the next day. There we found Ray Kramer who was still electioneering for the defeated candidate of 1952. He just doesn't know when to give up.

Betty Ann Scott invited us in for tea. Betty told us that Phyllis Kershner was competing for the title of "World's Best Cheerleader", and Grace Starks had donated a hospital for Hillsboro when she found a gold mine. Also, that Robert Dilley had married Exa Kellison and they had a department store and hotel in Marlinton. Robert and Exa were well on their way to making their third million.

We ventured to Beard; there we learned that Louise Copenhaver had finally captured Kenneth May and that night they were to be married.

At the Hillsboro Hospital we found Austin Walker, the greatest brain surgeon of the World. From Austin we learned that Bobby Ray was a professor at W. V. U.

Outside on the street we heard a circus parade; we ran to watch it. The two clowns leading the parade were very familiar. We looked at them again, and instantly we recognized them as being Eugene Brown and Jerry Starks. We always knew that they would amount to something some day.

We decided to look in at the new space ships. "Honest Donald" the Space Ship Dealer, was none other than Donald Barcroft. Donald told us to go and see Wallace Cochran.

We went to see Wallace and here we found that Wallace was the friendly mortician of Hillsboro. Wallace told us that he would be "the last friend to ever let us down."

Norma Lee and I, after seeing or hearing about all of our old chums, got back in our space ship and sailed off into the wild blue yonder.
